

MIPS dental risk management workshops 2012

MIPS invites members to attend a risk management workshop. The objective is to help members better manage risk in their day-to-day working lives, to help avoid adverse outcomes or, in the event that they occur, help mitigate those outcomes.

The risk management workshop program has been developed with the specific needs of our members in mind and is one of the most valuable benefits of membership. Attendance at any workshop entitles members to CPD points and will be noted on your membership record.

registration – register now to book your place at our workshops. You can register:

online – visit www.mips.com.au, select risk management workshops under quicklinks

by fax – using the enclosed registration form, fax back to **(03) 9654 6923**

by phone – **(03) 8620 8888**, but remember to have your MIPS membership details on hand.

Queensland						presenter
DP03	Managing Your Dental Risk	Friday 19 October	Brisbane	7:00pm – 8:30pm	Brisbane Riverview Hotel Cnr Kingsford-Smith Drive and Hunt St Hamilton 4007	Garry Nervo

your presenter

Dr Garry Nervo is a graduate of the University of Melbourne BSc (1973) and MSc (1981) and after several years in general dental practise, specialised in Endodontics. He was involved in undergraduate and post graduate teaching for a considerable period before retiring from practice in 2008. He is a Fellow of the Royal College of Dental surgeons by examination and has honorary fellowships (FPFA, FICD, FACD). For several years he was a research fellow in the Department of Pharmacology at the University of Melbourne.

your topic

The workshop will focus on how appropriate dialogue in dental practice can avoid the difficulties which flow from adverse or unexpected outcomes, claims, complaints or investigations into your practice.

Shared interests by both practitioners and patients through necessary communication can improve the quality and reduce the burdens of everyday dental practice and minimise the potential of a complaint or claim. Views and strategies will be reinforced by case presentation.

cpd information

All participants who complete a Proof of Attendance at the workshop will receive a Certificate of Attendance with details of the activity. This will assist members meet the Dental Board of Australia registration standard for Continuing Professional Development (CPD) of 60 hours over 3 years of which 20% can be non clinical or non-scientifically based.
