

Important information

- The benefits of the MIPS Membership do not automatically provide protection to members for their potential private exposure arising from their participation in clinical trials. You must complete this form to apply for this protection.
- As a general rule any clinical trial being carried out in the public sector should be indemnified by the public sector institution.

For members participating in non-public sector trials, you should complete this form if you have a degree of private exposure arising from participating in the clinical trial.

- MIPS will review and assess the material provided and notify you in writing.

Please ensure that you read the important information section above. All sections are to be completed, please print clearly.

Step 1: Member details

Title

Surname

First names

Member number

Date of birth / /

Mobile | |

Business Hours | |

Email (please print clearly)

Step 2: Trial description
